- mission and name were reviewed

IV. Biennial Review- Summer 2018

V. Behavioral Studies & Survey  
   a. CORE tabling tentatively to begin early March  
   b. incentives protocol update  
      - suggestions for working with new incentives protocol are as follows,  
      please note that the committee did not have the incentive policy at the  
      time of this discussion:  
      1. doing a focus group and providing lunch and the survey  
      2. host a snack table outside of computer labs and encourage survey taking  
      3. administer the survey in the computer labs  
      4. ask on-the-clock student employees to take the survey as part of their daily tasks  
      5. work with the First Year Seminar instructors to make this an assignment in their class or extra credit

VI. Screening & Brief Intervention (National Alcohol Screening Day)  
   a. Full Training: March 8 10am-noon UC Anchor A  
      i. 6 currently signed up  
   b. Refresher Training: March 22 11am-noon UC Anchor A  
      ii. 7 currently signed up

   d. sign up link in minutes  
   e. as per the request, those signed up will receive e-mail reminders  
   f. the committee suggested several groups could be shoulder tapped to participate in SBI including Honors, ROTC, Greek councils

VII. Annual Education Symposium
a. in need of a subcommittee
b. subcommittee was not identified, they wanted to select a topic first
c. suggested topics include: e-cigarettes, eating disorders, self-medication of all kinds and the impact, mixing substances, co-occurring disorders, the opioid crisis

VIII. Updates
- those present were made aware that a more formalized reporting process was in progress and would be shared when ready
a. Student Conduct
   - since August 2017 there have been 200 reported behavioral conduct meeting requests, 104 alcohol charges, 38 drug charges
b. UPD update
c. Community stakeholders

IX. Partners in Prevention
a. spring 2018 application begins early March

X. Cannabis SBI
a. through a discussion of SBI the possibility of conducting a cannabis-SBI event was discussed, the following points were made:
b. K. Yzaguirre: most students who use cannabis in college are not first time drug users, as opposed to alcohol users in college
c. we would need to work closely on a script to discuss cannabis as it is still illegal, many agreed that since alcohol is illegal for most participating in SBI that the script did not need to be that different

Next meetings are July 12th 10-11:30 am in Oso and October 1 3-4:30pm in Anchor D
